Your Letters to KATY-

DEAR KATY:

I am 10 years old and have a problem. I am 83 pounds and people always tease me. Do I have to diet? What shall I do? What shall I eat?

Love,
IRENE

DEAR IRENE

Like most kids, you probably spend too much time sitting in front of the TV eating junk food. If this is the case, get more exercise! Go for a walk, ride your bike, or do after-school sports. Eat only when you are hungry and you will soon reach your normal weight. Unless you are under a doctor's supervision, it can be very dangerous for a teenager to diet. But it's a good idea for everybody to cut out sweets and fried foods and eat lots of fresh, natural foods instead—fruits, vegetables, whole grains, fish, lean meats and dairy products. Good Luck!

DEAR KATY

I want to get a boyfriend, but my face is ugly. I wear glasses. I want to be like your sister, Sis, because she is so pretty. I am almost 13 years old. How can I be like Sis? Any suggestions?

Sincerely,
ADEANA

DEAR ADEANA

Thanks for writing! First of all, I don't know why, but everybody wants to look like somebody else. I doubt you are as ugly as you think you are. Everybody has flaws and everybody has their good features. We have to learn to make the best of our good characteristics and hide those things that aren't so nice. Have you ever seen a model without her make-up? Most of us look like regular everyday people. There is nothing ugly about glasses! But if they really bother you, ask your parents if you can get contact lenses. If not, maybe another frame will be more flattering to your face. Read the fashion magazines and learn some tips about make-up and clothes. True beauty does not come from make-up or clothes. It comes from within and everybody has it—so let it shine!

DEAR KATY:

I want to get a boyfriend, but my face is ugly. I wear glasses. I want to be like your sister, Sis, because she is so pretty. I am almost 13 years old. How can I be like Sis? Any suggestions?

Sincerely,
ADEANA

DEAR ADEANA

■ Katy showed me your letter. I used to think I was ugly, too. Sometimes I still hate how I look. But then I comb my hair, put on a pretty outfit and go do some thing nice for someone else. When I see them smile I feel really good about myself and I smile, too! And what's wrong with glasses? Some of the world's most beautiful women wear them all the time! If they really bother you, maybe your parents will let you get contact lenses.

Love, SIS

DEAR KATY

I like a boy in this band called Menudo. His name is Ricky Martin. I entered a Menudo Mania contest. And I didn't win! That made me so mad! And it just happened a girl with my same initials entered and won. Now I don't know what to do. I have a picture of him hanging up.

Love, ANGELLE

DEAR ANGELLE

I'm sorry you lost. You must be very disappointed. But don't worry, there'll be other contests. In the meantime you have his records and his pictures, so keep dreaming and good luck next time!

DEAR KATY

My best friend has a boyfriend that I really like. I think he likes me, too, but I can't tell. The problem is she really loves him more than any other boyfriend she has ever had. What should I do?

S.T.
P.S. I'm a big fan of yours.

DEAR S.T.

Uh-huh. Don't lead him on. If he tells you that he likes you, take him aside and tell him you would never do anything to hurt your friend. Then ask him why he would want to risk making her feel bad by getting involved with you?

DEAR KATY

I have a problem. Two girls in school are jealous because I have long nails and a cute boyfriend. So they try to take him away. What can I do?

Signed, CORINNE

DEAR CORINNE

Lucky you! Ignore them.
Love, KATY

DEAR KATY

There is a girl I like, but just as a friend. She thinks I am too mature for her, so one day I acted very mature (but not so much that I acted like a fool) but it didn't do any good. Could you help me find a way to act around her?

Love,
DREW

DEAR DREW

What's wrong with that girl? You sound very mature to me. Continue to act just the way you are and if she doesn't begin to notice you, look for another friend who appreciates you. There are a lot of fish in the sea! Good Luck!

DEAR KATY

I have a girl problem. Her name is Christina. She always forces me to do things and if I break up with her, she ignores me, pushes me, and hurts me. When she looks at me, she has a mean face. What should I do?

JANE

DEAR JANE

Tell Christina to get lost! She sounds like a horrible person and you shouldn't let her push you around. There are a lot of nice kids out there waiting to be your friend. Why waste time with crazy people?

DEAR KATY:

I am head over heels for this boy, but I don't know if he likes me. I tried telling him, but I was too shy. What should I do?

Your friend,
MONICA

DEAR MONICA

Send him a card with a little note. Sometimes it's easier to write the things we have a hard time saying. Ask your parents if you can invite some friends over for a party one Saturday afternoon. Ask some of the girls and guys in your class—maybe two girls and two guys—and of course, invite him. Maybe you can all go bowling, watch some video, or a football game on TV. It will be easier to get to know him in a group, since you won't feel as shy with other friends around.

KATY LET
ME ANSWER
THIS ONE!

WHAT GREAT LETTERS! I LOVE HEARING FROM YOU AS WELL AS RECEIVING YOUR DESIGNS! IF YOU HAVEN'T WRITTEN TO ME YET, PLEASE DO SO AT THE ADDRESS GIVEN BELOW!!

DEAR KATY

I am in grade three and I love a boy named Jeremy. I am not pretty. But my friend Pamela loves him too. Jeremy invites Pamela to his house a lot. He has never invited me to his house. What should I do?
Lots of love, Your fan, DEBBIE
P.S. Jeremy does not even like me.

DEAR DEBBIE

First of all, what makes you think you're not pretty? One of the best things about growing-up is that our bodies are changing so fast that it is almost like the way we look today we'll probably look completely different tomorrow, and much prettier too! Try inviting Jeremy to your house. If he says no, forget him! Nobody's married at your age so there are certainly plenty of fish in the sea!

DEAR KATY

All my friends think I'm pretty. One even said that I should be a model. I said when I grow up I might not look the same. She said I should be a model now. I am only ten. What should I do?
Love,
GOOD LOOKING

DEAR GOOD LOOKING

Have your Mom take some snap shots of you and take them to a local modeling agency. Do not pay any money, talents or talent scouts. They get commission AFTER they get you a job and should honestly tell you whether or not you have what it takes to make it. Ten-year-olds can be models - usually for print and catalog work. Even babies can be models! Good Luck!

DEAR KATY

I have a problem. I am 11 years old and there is a boy who always makes fun of me. He makes his eyes slant and then he screams nonsense and everyone laughs except me. Sometimes he does worse things. I really hate it so much. What should I do?
NMS

DEAR NMS

I am so glad you wrote. This guy is a sick person and you should get help immediately. Ask your teacher or the principal of the school if there's anything you can do. Tell your parents so they can talk to the school or the boy's parents. Be proud of who you are! When he starts to tease you, just turn your back and walk away.

DEAR KATY

I am head over heels on this boy but I don't know if he likes me. I tried to tell him but I was too shy. What should I do?
Your friend, MONICA

DEAR MONICA

Find out as much as you can about him so you can talk to him about the things he likes. If he likes basketball, learn about his favorite teams. If he likes computers, talk about that, etc. Remember that boyfriends should be just that - friends! Of course, you can always tell one of his friends that you like him and make him promise not to tell. If you do that, he'll know about your feelings in no time!

DEAR KATY

I have a problem. My friend is having a party and nobody over 12 is allowed. My mother doesn't approve. My best friend is counting on my being there. If I don't go, I'm risking losing a friend. But if I do go, I feel like a snitch to my Mom. What do I do?
WORRIED

DEAR WORRIED

I'm afraid you'll have to listen to your Mom and do what she says. She's the boss and knows what's best for you, as much as you may not like it. I'm sure your friend will understand and you won't lose her friendship. If you do, she wasn't really your friend in the first place.

DEAR KATY

Hi! I'm 9 years old and I'm going into fourth grade. I weigh 72 pounds and I am very fat! And when I look at you, you are very skinny. Can you tell me how to lose weight?
Sincerely, MELISSA
P.S. You must have been skinny when you were in the fourth grade.

DEAR MELISSA

It's important that you ask your family doctor if he thinks you are too fat. If he says yes, then maybe he can help you with a nutritionally balanced reducing plan. The good news is the younger you are, the easier and faster it is to lose weight. But don't try any crazy diets. You really need all your vitamins and minerals. Do you spend too much time sitting around eating junk food and watching TV? Get out and exercise. Cut out desserts and junk foods and you'll lose weight in no time!

DEAR KATY

My friend has gross hair. What should she do about it? And I'm 5 and I have 5 boyfriends. Is this normal?
SHANNON

DEAR SHANNON

Your friend should wash her hair every day with a shampoo for oily hair. Unfortunately, excess oiliness is a natural part of growing up. Don't be afraid to wash your hair as often as you need to. Oh, I wish I had 5 boyfriends!

DEAR KATY

I have this friend that I like very much but she is very loud. She always hangs around with boys and fools around with them, but she is also very nice to me and studies with me when I need help. But because she hangs around with boys, my parents don't like her and they won't let me play with her or see her. What am I going to do?
Sincerely, KATHY

DEAR KATHY

I'm afraid you'll have to listen to your parents. If you really want to be her friend, why don't you ask them if they'd mind if you invited her over when they're around? Maybe you could talk to her and try to help her see how the bad things she does are messing up her life.

DEAR READERS

Here's an important note: Virginia Weston of Detroit wants me to say if you can't remember your address, write to me to say it. You can't remember it either. I'll put it in my address book and make it a habit to write to you. It's illegal if they place it in your neighbors' mailboxes. It's illegal if they have been stamped, postmarked and put there by an official U.S. mail carrier.

Thanks, Virginia! And you can write to me too!
